Independent Women is the leading national women's organization dedicated to developing and advancing policies that are more than just well-intended, but actually enhance people's freedom, opportunities, and well-being.

Independent Women has more than 50 affiliated female scholars and spokeswomen across the country who could serve as witnesses with a variety of issue area expertise. Please contact Andrea Bottner, Vice President of External Relations at Independent Women, at abottner@iwf.org to obtain further details.
